

JUSTICE INNOVATIONS

CAPABILITIES STATEMENT

Owner-led construction and facility improvement services, built to scale from private property turns to federal task orders.

COMPANY OVERVIEW

Justice Innovations LLC is an Atlanta, Georgia based, SBA-certified Women-Owned Small Business (WOSB) delivering commercial construction and facility improvement services. Founded on direct owner oversight and multi-trade field experience, the company is expanding a proven residential and commercial track record into the federal facility improvement market.

CORE COMPETENCIES

- **Commercial Roofing Systems:** installation, replacement, repair, and preventative maintenance programs, including occupied-facility reroofing performed without disrupting daily operations.
- **Site Preparation, Grading & Earthwork:** grading, excavation, and site clearing to support facility construction and improvement readiness.
- **Commercial Painting & Coatings:** interior and exterior painting, protective coatings, and surface preparation for occupied and vacant facilities.
- **Selective & Full-Scope Demolition:** interior build-out removal and site clearing sequenced to minimize disruption to ongoing operations.
- **Electrical Installation & Maintenance:** installation, repair, upgrades, and preventive maintenance of building electrical systems.
- **Property Turn & Multi-Trade Renovation:** renovation and turn services spanning painting, electrical, plumbing, flooring, and drywall trades for residential and commercial portfolios.

DIFFERENTIATORS

- SBA-certified Women-Owned Small Business (WOSB), verified and active.
- Direct owner oversight on every engagement, from award through closeout.
- Demonstrated occupied-facility performance: completed a \$150,000 commercial reroof at an active financial institution with no disruption to operations.
- Multi-trade coordination under a single point of contact: approximately 25 property turns completed for one portfolio client, spanning painting, electrical, plumbing, and flooring.
- Project range built for federal task order scale, from \$10,000 to \$500,000 per project.

RELEVANT COMMERCIAL EXPERIENCE

Residential Property Turns & Renovation

Client: Private property management company | Value: \$175,000 | Date: 2024

Completed approximately 25 residential property turns and renovations, including interior and exterior painting, drywall repair, electrical and plumbing repair, flooring, and landscaping, across multiple properties on client-set timelines.

Commercial Reroof, Occupied Financial Institution

Client: National financial institution | Value: \$150,000 | Date: April 2026

Managed a full commercial reroof of an occupied facility, coordinating crews, materials, and scheduling to complete the project on the client-required timeline while maintaining site safety and normal operations.
